February 2020

**PRESIDENT, ROSEMARY WILDE
2018-2020**

On January 27th the new Homeless Shelter opened in Ventura. Several of our members attended the opening. I am happy that we made our donation of blankets in time for the opening and hope that each new resident gets to choose their own blanket to brighten up their bunk bed. This is very much “transitional” and though it is of course, clean and dry and safe, and as you can see by the photo (see page 2) it is little more than that. It did brighten my heart to see doggie crates next to some of the beds already so that these people that have fallen on hard times can have the comfort of a pet with them.

I hope that some accommodation can be found that these people can afford, and urge that if you get the opportunity to bring about the construction of affordable housing units in your neighborhood you vote to help this along and not to oppose it.

At our February Board meeting we had a preliminary discussion regarding our donations for this year. We will share those thoughts at our February 11 meeting and encourage input from all members. Last year we were in the very fortunate position to have been gifted a large donation and made some very generous and exciting donations in my opinion. This year we have a much smaller amount to share.

It seems our membership is changing and there may not be enough members willing to organize a large fundraiser each year. (Happily Anita is still organizing our Bunco Fundraiser & Eleanor is still organizing the Card Party) Maybe the way forward will be for numerous smaller fundraisers. Please think about ideas for a fundraiser, maybe for ten, twenty or thirty people.

I would like to thank Juanita Eastwood for providing the decorations at our monthly meetings for quite some time now. Unfortunately circumstances prevent Juanita from providing the decorations for the next few months. I am sure you will all join me in giving Juanita a personal THANK YOU next time you see her.
