**PRESIDENT, ROSEMARY WILDE
2018-2020**

I hope everyone had a lovely Holiday Season. To start off the season we had our Reciprocity Tea which seems to have been a great success. Myself and several other Board Members have had compliments regarding the Tea. Then came all the family type gatherings and celebrations at the end of the year. Quite a number of people have been sick and the Hospital has had many patients with respiratory problems. I think all our members are "on the mend" so that is good news.

On January 6th three club members delivered 80 blankets to City Hall for the New Homeless Shelter that is due to open this month. I think that is a really great accomplishment and would like to thank everyone that took part, including Oak View Women's Club that contributed about 10 blankets.

At our meeting on January 14th, Don Price, an expert in why our climate is changing will be our speaker. I hope to see many of you there, Mr Price is a very good speaker.
