Hello Fellow Members!

Fall is Here! What did you

think of that crazy thunder and lightning show? I enjoyed it except for two things: the lightning bolts were too close for comfort and the fire dept. had to come and put out a tree fire on our road. It was above us and a palm tree caught fire. Just a little too close to us!

I am still in need of the following chairmanships: Arts in the Community; Communities & Identity; Community Safety; Legislation & Public Safety. Let me know if you are interested in any of these.

The drive-by book sale was successful but we still have bags of books for sale so if you are interested for a purchase just let us know. Thanks to Shirley and those who helped in this fundraiser.

Next is our yard sale! Terri is still collecting items. Let her know if you have anything to donate! The sale is October 23 at Terri's home.

September's program was Sander Vander who spoke about the Holocaust. The program was very interesting. We learned a lot and Sander was very entertaining!

Our TAD Zoom meeting was attended by several of our members. This was good because we were the hostess club. Thanks to all who attended!

Because of the Covid variant, please continue to be vigilant, wear mask when necessary, wash hands, & stay safe. CMH gave booster vaccines to staff & volunteers who wanted it. I got mine!

HOUR SHEETS

THE HOUR SHEETS JUSTIFY OUR EXISTENCE

Many of our members, especially the newer members,
don't understand the importance of the

HOUR SHEETS

Every time you do something for our community, write it down.
It can be anything from flying the flag, recycling newspapers & glass or
plastic containers, adopting a foreign child, and reading a book.
Maybe use your calendars or on "notes" app on your cell phones.
A quick description, any money involved & the amount of hours is all that is needed.
When you attended a meeting transfer information to an hour sheet.

It takes minutes!

And turn it in to Shirley Lorraine.

The hour sheets are then collected,

Reports are created and the information is then turned in to:

TAD (Tierra Adorada District-our local District)

CFWC (California Federation of Women's Clubs)

GFWC (General Federation of Women's Clubs)
