MUSINGS FROM MARY

Mary Harrison, President

Wasn't our April meeting with the Bikers Against Child Abuse great? We learned so much from them, and how they handle child abuse throughout America and other countries. I enjoyed it very much and hope everyone else enjoyed it too.

Our TAD Convention, April 28, 29 & 30 was well attended by 11 of our members. It was fun, entertaining and educational. Some came for the entire convention and some just parts of it. Try to come next year and enjoy! Hope the convention attendance will be even better next year.

I cannot believe that the May meeting will be the final meeting of my term. I have enjoyed being your president for these last 2 years and hope I have done a good job. I want to thank the members of my great board! They have done a great job, and I could not have gotten through the last 2 years without their help, support and friendship. Thank you to all my chairmen as well. Together we have accomplished a lot and had fun, in spite of the Pandemic. I'm looking forward to our May meeting for the installation of our new officers & the appreciation of our past presidents. My only regret is being in the hospital and not being installed with my fellow officers, but I know Linda McNutt did a great job. I look forward to seeing all of you again in September with our new President and new board. I know Shirley and her board will do a fantastic job! I wish all of you a great summer and hope it will be a relaxing one!

Some important dates to remember in May: May 5-Cinco de Mayo and National Day of Prayer; May 8-Mother's Day; May 21-Armed Forces Day; and May 30-Memorial Day.

HAPPY MOTHER'S DAY to all you mothers & grandmothers!
