President's Message

## *Hello Magical Members!*

Even though Club is on summer break, there is a lot happening. Sections continue throughout the summer so you can enjoy getting together with friends to be social.

Jennifer Enoch is organizing a group of members to participate in the city's annual 4<sup>th</sup> of July Push 'Em, Pull 'Em parade. Wear club shirts, jackets, and visors as you stroll proudly down to the street fair. We always have fun doing this and get a bit of exercise too! Remember, this counts on your time sheet as marketing or membership! Have fun! (tuck a membership application in your pocket – you never know)

I've heard glowing reports of how much fun was had at the recent Musical Bingo at Tony's Pizzeria. Excellent job, fundraising committee!! I love to see the excitement grow as we try new things.

The new board met recently and got a solid beginning to our focus and direction. This administration we will be paying special attention to rebuilding, refreshing and tightening procedures and information sharing. Your input and suggestions are always welcome as we move forward. Many opportunities are available to get more involved – be on a committee, volunteer to be a greeter at meetings, submit a program or speaker idea – the list is endless. We want to hear from you.

July is last call for updated photographs or information for the annual yearbook. New phone number? Email? Need a spelling correction? Want to place an ad? Please contact Toni Peters so she has the most current information. Deadline is the first week of August. Yearbooks will be available at the September general meeting.

# Collect for Club Women

Keep us, oh God, from pettiness; Let us be large in thought, in word, in deed. Let us be done with fault-finding and leave off self-seeking. May we put away all pretense and meet each other face to face, without self pity and without prejudice. May we never be hasty in judgement and always be generous. Let us take time for all things: make us to grow calm, serene, gentle. Teach us to put into action our better impulses, straightforward and unafraid. Grant that we may realize it's the little things that create differences, that in the big things of life we are at one. And may we strive to touch and to know the common human heart of us all. And, oh Lord God, let us forget not to be kind!
