

Buena Briefs

June 2026

Member of General Federated Women's Club
& California Federated Women's Club

Hello, SBWC members!

Happy summer and welcome to a new club year and a new administration. Thank you for placing your trust in me to lead SBWC for another term as President. My theme is "Volunteers Make Magic Happen" – and yes, you do! I am so proud of the magic you make for our community.

The last two years have seen tremendous growth in our club. Not just in numbers, but also in moving forward. From re-thinking processes, to forming committees so more voices are heard, community outreach and more. A huge thank you to Jennifer and the entire board for all the work they've done. Let's keep the progress going and the magic happening.

There are still areas to improve such as communication, technology, and recognition of our members' talents. I look forward to keeping our momentum at its peak. Suggestions for improvement are always welcome. Contact me directly or any member of the board. We want to hear from you!

Throughout the summer the new board and I will be planning for our next exciting year. We'll be trying out new tricks, improving a few older ones, and expanding our possibilities.

Now is the time to submit a portrait photo for the new yearbook. It will be put together over the summer. Please send photos as well as updated addresses, phone numbers, or email addresses to editor Toni Peters (tretpeters@verizon.net) as soon as possible.

Sections will continue to meet over the summer. Watch the Buena Briefs for information.

Please mark your calendars now for our regular meetings on the second Tuesday of each month, September through May. You do have your 2027 calendars already, right? Remember to contact the Business Manager to make your lunch reservations in advance. Invite friends to join you.

Did you know....?

Our club will be celebrating its 100th birthday in 2028. Quite the milestone!! Planning and research have already started. I welcome anyone interested in assisting me with historical research. I am actively seeking club history, yearbooks prior to 1986, photos, news articles and stories of special events and memories. This will be an ongoing project until the big event.

Until the next issue – Get out those wands and make some magic!

Shirley Lorraine
President, SBWC

MEET THE 2026-2028 EXECUTIVE BOARD

Pictured left to right: Karen Campbell, Laura Rutherford, Kris Plasch, Joyce Opjorden, Cindy Lewis, Shirley Lorraine, Julie McDaniels, Joan Eubanks, Cheryl Peay and Carrie Spira
